## PROJECTS

---

### **Collabify** • 11/2024 - Present

My team and I are currently working on Collabify, an application that enables students to **find like-minded peers**, **form study or project groups**, and **collaborate** on assignments, hackathons, or learning projects.

### **Throwaydotty** • 04/2024 - 08/2024

Waste Management

I designed a web app for the company Throwaydotty partnering with the Rivers State Waste Management Agency (RIWAMA) in Rivers State, Nigeria, to keep Rivers State clean and fill the gaps they're currently unable to fill.
